DECLARATION OF TSCA COMPLIANCE

In accordance with the U.S. Toxic Substances Control Act (TSCA), as amended by the Frank R. Lautenberg Chemical Safety for the 21st Century Act, Cardo Systems LTD hereby declares that its product families are compliant with TSCA requirements.

Chemical substances contained in our products are either listed on the TSCA Inventory or exempt from TSCA Inventory listing requirements.

We further declare that our products do not contain any chemical substances prohibited or restricted under TSCA, including but not limited to:

- Polychlorinated biphenyls (PCBs)
- Asbestos
- Certain lead-containing substances as restricted under TSCA
- Per- and polyfluoroalkyl substances (PFAS) subject to TSCA Section 8(a)(7) reporting
- Any other substances subject to TSCA Section 5 (Significant New Use Rules – SNURs) or Section 6 restrictions

Compliance is assured through supplier declarations.

Cardo Systems LTD is committed to maintaining up-to-date compliance with TSCA requirements. This declaration will be updated if product composition or regulatory obligations change.
