Cardo Systems Declaration of Conformity

At Cardo Systems Ltd. ("Cardo"), we are committed to environmental sustainability and prioritize it in all aspects of our business operations.

In alignment with our commitment to environmental responsibility, we confirm that Cardo products fully comply with the requirements of Regulation (EU) No 1907/2006 of the European Parliament concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH).

Cardo takes proactive steps to ensure that the 247 Substances of Very High Concern (SVHCs) listed in the current Candidate List by the European Chemicals Agency (ECHA) are not present in our products.

As part of our due diligence process, Cardo requires suppliers to submit formal declarations confirming their adherence to these standards. By prioritizing these efforts, we ensure that Cardo products align with our customers' expectations for safe, environmentally responsible products and maintain full compliance with REACH requirements.
