*unit also compatible with CR 2016

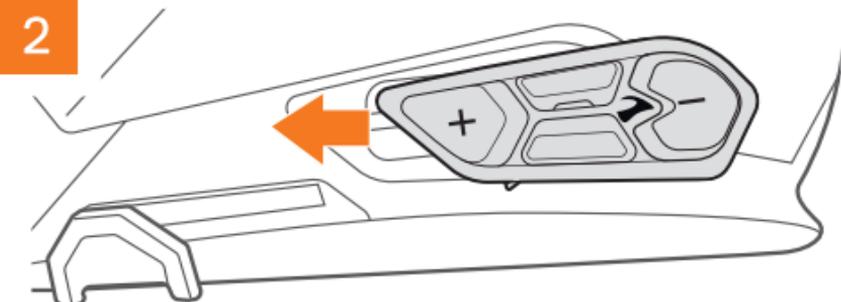

INSTALLING THE SC EDGE REMOTE CONTROL

1

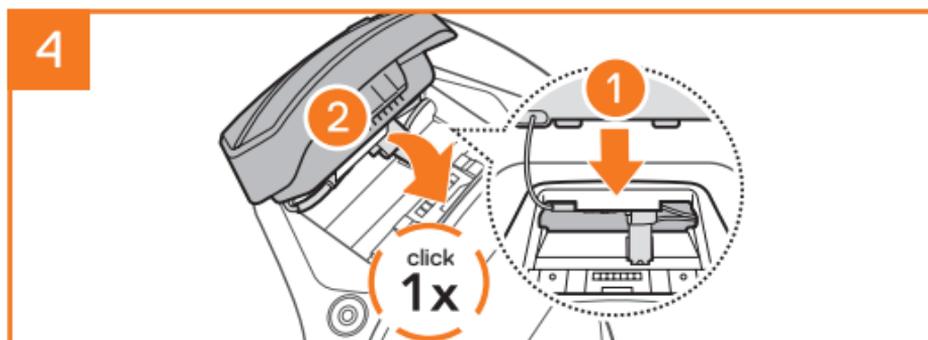

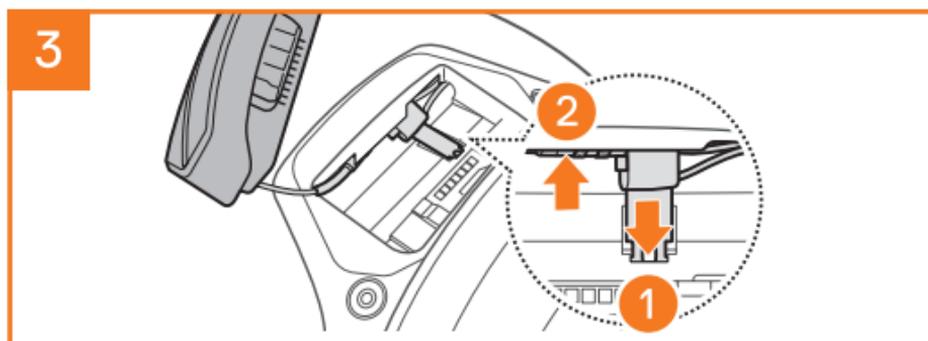

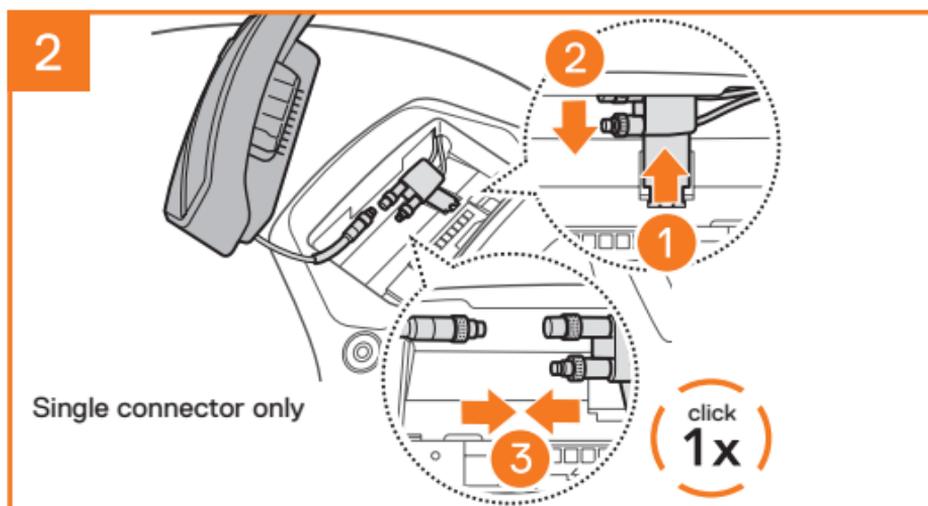

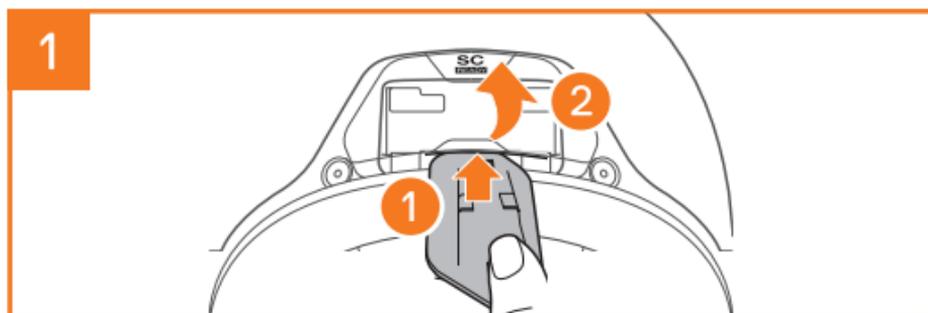

Cover for the SC EDGE Remote Control

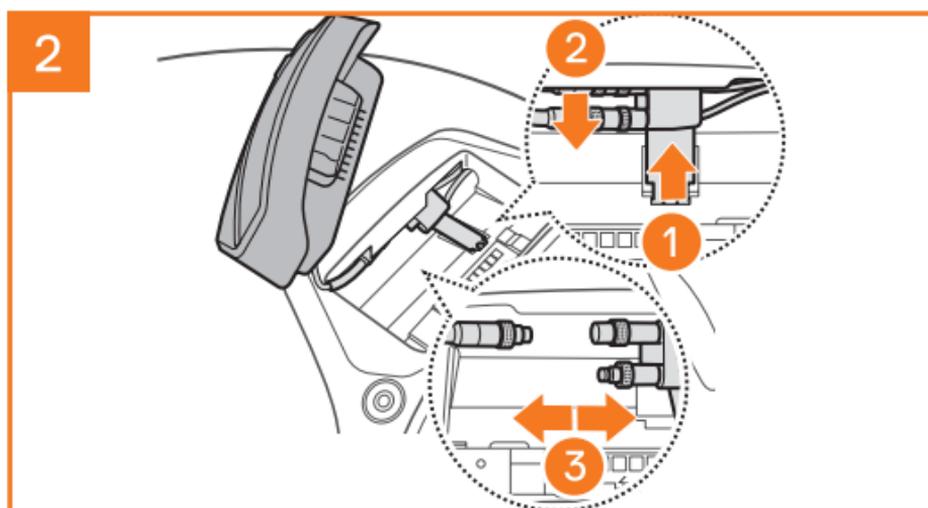

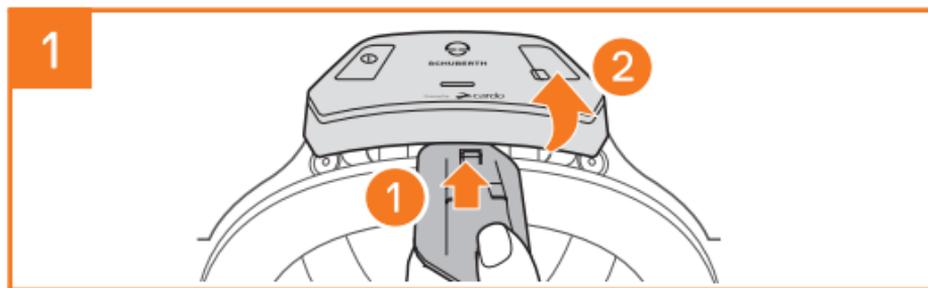

2

INSTALLING THE SC EDGE

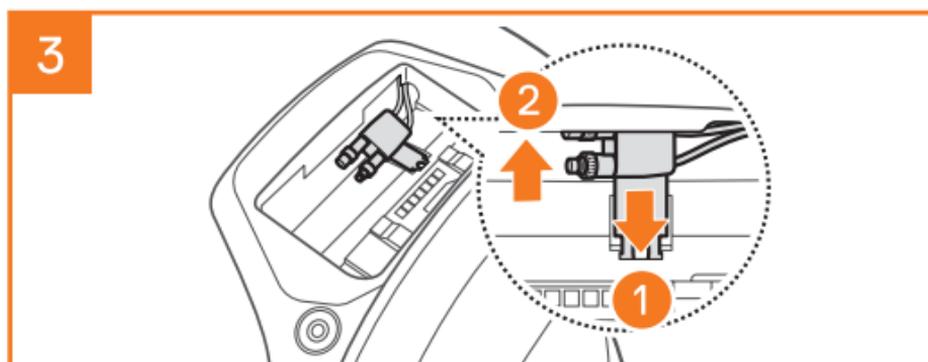

REMOVING THE SC EDGE

Note: Remove sticker from back unit before plugging the connectors.

Note: When you need to un-plug the connectors, please wiggle and pull it. It will help the connector connection be released more easily.

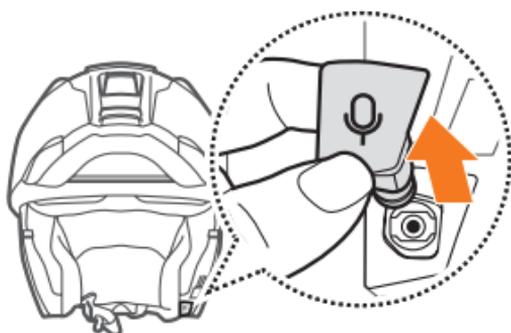

Note: Clean the communicator with a soft, lint-free cloth dampened in an electronic-safe solution, avoiding abrasive materials, and power off before cleaning.

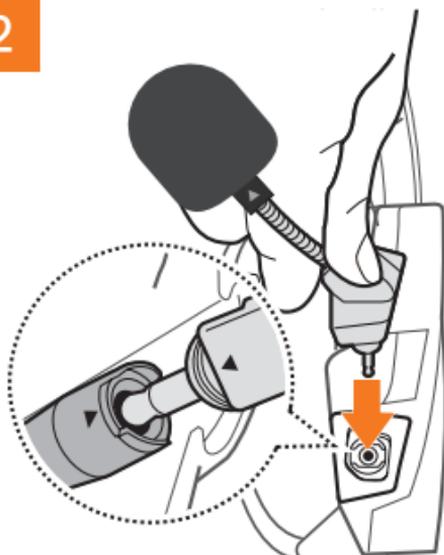

INSTALLING THE MICROPHONE

Note: the microphone is pre-installed on the S3

1

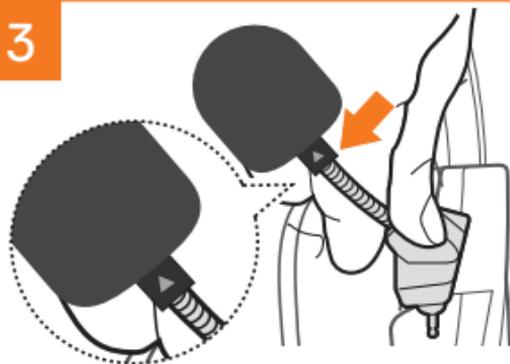

2

Install the microphone by pressing firmly on the area marked with the orange circle.

3

Position the small triangle towards the mouth

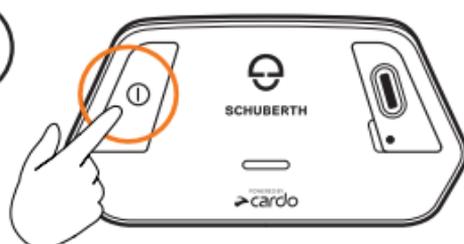

Getting Started
